BChD (Hons), MFDSRCS(Eng)
Leeds 2007 – GDC No : 124494

Biography

Dr Sanaa Kader qualified at Leeds Dental Institute in 2007, with an honour's degree. She spent eight years gaining experience in London, and in 2016 moved to Leeds, and subsequently became the owner of Indigo Dental.

Sanaa enjoys building patient smiles with a restorative-orthodontic approach and placing dental implants to give people their confidence back. She is a member of the Association of Dental Implantology, the International Team for Implantology, and the College of General Dentistry.

She enjoys keeping up to date with her knowledge and skills and can often be found attending courses to further this. In her spare time, she likes to spend time with her husband and two children and enjoys travelling.

Sanaa is a Key Opinion Leader for ClearCorrect and has completed many smile makeovers using clear aligners.
