Canada Section Meeting

September 20 - 21, 2024 | Montreal, QC

Join ITI Section Canada for a day long program of evidence-based education. Top clinicians will discuss treatment planning single, multi and full arch cases and how they utilize digital technologies to achieve efficiency. This event will feature Fellows from Section Canada presenting on immediacy, digital workflow, the emergence profile, peri-implantitis treatment and more.

Learning Objectives:

- Gain an overview of the digital workflow
- Learn about the latest technology in Immediacy
- Understand how Immediacy and the Digital Workflow can impact your practice
