

**MAR 4 - 7, 2025 | MAY 13 - 16, 2025 | OCT 7 - 10, 2025**

## **4-DAY ADVANCED IMPLANT & REGENERATION THERAPY: GBR, SOFT TISSUE & SINUS GRAFTING**

**WITH DR SASCHA JOVANOVIC & DR DENNIS HUNT**

DR S. JOVANOVIC

DR D. HUNT

Take your surgical skills to the next level for managing complex implant cases. Each day has a didactic presentation using lecture and video material, a clinical hands-on and live surgery demonstration.

### **DAY 1 & 2 - VERTICAL & HORIZONTAL RIDGE AUGMENTATION & SOCKET GRAFTING**

- Treatment planning and patient selection for grafting procedures
- Clinical protocols in GBR bone grafting from incision to suturing
- The vertical and horizontal aspects of ridge augmentation
- Extraction site management: immediate versus delayed implant placement
- The optimal selection of implant design, surface and position
- Planning for esthetic cases and the development of gingival papilla support
- Understand GBR Collagen & PTFE membranes and Growthfactors
- Autogenous bone, Xenograft & Allograft - what combo works for GBR?

### **DAY 3 - SOFT TISSUE MANAGEMENT & GRAFTING**

- Advantages and disadvantages of various surgical approaches
- Flap Design, Flap Management and Suturing Methods
- Augmentation of Keratinized Tissue
- Augmentation of Soft Tissue Volume
- Complications and Compromised Attempts
- Indications for Soft Tissue Biomaterials & Biologics
- Perio-Implant Papilla development

## DAY 4 - SINUS ELEVATION & PERI-IMPLANTITIS TREATMENT

- Learn to perform sinus elevation surgery predictably
- Clinical benefits of minimally invasive osteotome sinus elevation
- Techniques for performing highly predictable lateral window surgery
- Identify a biological protocol using graft materials for sinus elevation
- Learn how to prevent and treat complications
- Peri-implantitis incidence, etiology and management

### COURSE INFO

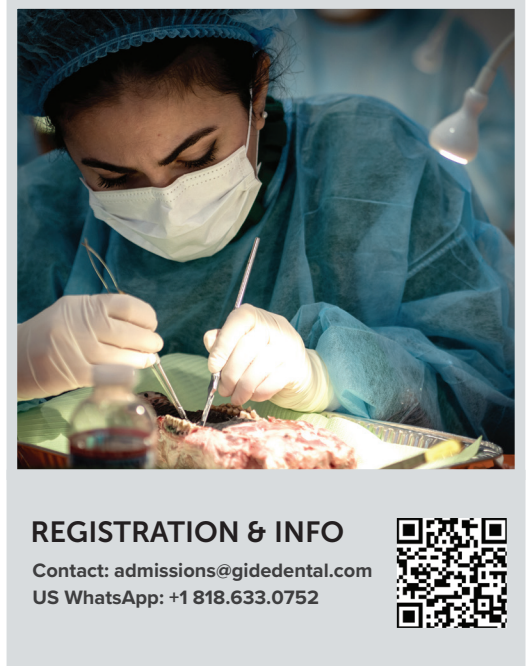

Mar 4 - 7, 2025 | May 13 - 16, 2025 | Oct 7 - 10, 2025

This course includes Lectures, a clinical hands-on and live surgery demonstration, **32 CE Credits**, and a 3-Month gIDE Video Library Subscription.

Regular Fee: \$4795 | Members Fee: \$4395

### LOCATION

gIDE Institute  
12217 W Pico Blvd,  
Los Angeles, 90064  
Tel: +1 818.633.0752

“ gIDE offers the most complete and comprehensive program on bone, ridge and socket grafting. Dr. Jovanovic is a world class dentist who provides one of the best educational programs to train other dentists to predictably graft bone, to place implants to give the most predictable level of success. ”

- Dr. Leopold Weinstein, General Dentist | Camarillo, CA
