IMPLANT FUNDAMENTALS

in association with  **straumann** **Geistlich**
Biomaterials

This is a comprehensive introduction to Surgical and Restorative dentistry. Each delegate is given the opportunity to place 3 implants in a patient that is provided by the course, to experience placement in Straightforward indications including single tooth and edentulous arch. The restorative module also includes treating patients and you will experience impression taking and the fitting of the implant structure.

- ▶ You will have the opportunity to place at least 3 dental implants with a live patient
- ▶ You will have the opportunity to perform a bone graft
- ▶ You will have the opportunity to treat 2-3 patient cases from start to finish
- ▶ A Straumann representative will be available at each day of the course
- ▶ Exclusive access to Straumann Smart Online Education
- ▶ Additional mentoring from one of our tutors is also available for an extra fee
- ▶ This course is also available in separate modules
- ▶ 0% finance payment plans available
