

ClearCorrect Clinical Educational Series 2025

Partnered for Clinical Excellence

November 7, 2025 | Andrea Bazzucchi | 9am - 5pm

Deepen your knowledge, sharpen your skills, and discuss your own cases.

What to expect?

- Extensive Case Reviews: Learn from a wide variety of real-world examples.
- Use of Auxiliaries: Master the use of attachments, elastics, and more to optimize aligner outcomes.
- Biomechanics with Aligners: Understand the forces behind predictable tooth movement.
- Interdisciplinary Collaboration: Integrate orthodontics with other specialties for comprehensive care.
- Interactive Case Discussions.

Andrea Bazzucchi

Dr. Andrea Bazzucchi is an orthodontist with over 22 years of aligner experience and 4,000+ treated cases. He leads practices in Rome and Stavanger and is a Key Opinion Leader and international clinical consultant for ClearCorrect.
