

## IMPLANTS FOR THE GENERAL DENTIST

**Implants for the General Dentist** is an ongoing, interactive study club that includes detailed lectures, hands-on surgical activities, implant protocol review, case presentations, and live-patient treatment. It covers all didactic and clinical aspects of surgical implant placement and restoration and is designed to develop participants' skills over time and at a rate tailored to their needs. It covers all didactic and clinical aspects of surgical implant placement and restoration, digital impression techniques and guided surgical design with 3D printed production. Also included is surgical training for assistants, periodontal maintenance training for hygienists, CBCT software training, and review of consents and post-operative instructions. The course is designed to develop participants' skills over time and at a rate tailored to their needs. There are two levels of participation that are designed to meet the unique goals of each course participant:

**Full Surgical Participation:** Maximize your training with comprehensive involvement in all aspects of the course. This level is designed for participants ready to fully invest in their surgical skills and gain extensive clinical experience. Participants will have up to seven (7) surgical opportunities to treat patients under the supervision and mentorship of the course instructors.

**Limited Surgical Participation:** This level offers a valuable opportunity to engage in a limited number of surgical cases with reduced initial equipment investment. Participants will have up to two (2) surgical opportunities to treat patients under the supervision and mentorship of the course instructors.

**Didactic Plus:** This level is designed for participants who want comprehensive training in implants but are unable to meet the patient and/or insurance requirements necessary for full/limited surgical participation. Includes participation in all lectures and hands-on activities and observation of surgeries.

## COURSE INFORMATION

### TUITION:

AGD Member Full Surgical Participant: \$6,900  
 Non-Member Full Surgical Participant: \$7,900  
 AGD Member Limited Surgical Participant: \$5,500
