COURSE CONTENT

LEVEL UP 2.0

LEVEL UP YOUR DESIGN SKILLS AND KNOW-HOW IN THE DIGITAL FIELD

Join us together with our dental technician Markus Menczynski on this upcoming hands-on course in Calw Germany. Together we will focus this time on “hybrid abutments” especially in the anterior region.

Gain the knowledge to use second-generation titanium bases and ASC Flex hybrid abutments in the digital process, from a single implant crown to a 3-unit bridge, all available in the excellent prosthetic portfolio from Medentika.

Discover as well the “switch implant connection” available with the MPS System.

Digital process

Participants will get to know the digital process from scanning, designing, milling and printing at our Medenti-TEC Training Center in Calw.

IPS & MPS

We will focus on the IPS & MPS Implant libraries which are essential part of planning implant prosthetic solutions digitally.

Digital workflow

The course will cover most aspects of digital workflow which are essential for a modern dental laboratory.

Custom abutment

Each participant will scan and design in exocad with the unique integration and consideration of tips and tricks from our experienced dental technician in this field, Markus Menczynski

Live-Design-Session

with Exocad on “hybrid abutments” especially in the anterior region

Course Fee

850€ (excl. VAT)
Incl. 2 hotel nights

Date

September 17th-18th

Course location

MedentiTEC
Education Center
Im Interkom 32
Calw, Germany

DAY 1

September 17TH

Switch implant connection	Markus Menczynski		30 min	12:30-13:00
Designing Tips and Tricks	Markus Menczynski		30 min	13:00-13:30
Wrap-up and Q&A	All		30 min	13:30-14:00

TERMS AND CONDITIONS

1. Fees

Course prices are listed per delegate and include all tuition fees, use of equipment and all course materials as well as lunch and refreshments. Dinner is not included in the course fees. Course costs do not include travel, accommodation or other non-tuition related costs except stated otherwise. Please be aware: VAT or applicable taxes are not included in all instances except stated otherwise.

2. Registration policy

Registrations are taken on a first come, first serve basis. Registrations are not considered final until payment is received. Your registration will be confirmed by mail/email within two weeks of receipt. Partial payment cannot be accepted unless indicated within the course programme. A telephone or email reservation accompanied by a credit/debit card payment indicates that you accept the terms & conditions of booking.

3. Cancellation policy

In the event of cancellation by a delegate, cancellation fees will be due as set out below:

30 days or more prior to course commencement, full refund of course fee.

15 – 29 days prior to course commencement 50 % refund of course fee

0 – 14 days prior to course commencement no refund of course fee

All cancellations must be submitted in writing to the dedicated course owner as indicated in the course programme.

4. In the event of cancellation by MEDENTiKA®

Course dates can change. MEDENTiKA® reserves the right to cancel courses. Course fees paid will be refunded in full.

5. Our liability to you

In no event shall we be responsible to you for any loss of profit, loss of earnings, loss of anticipated savings, loss of revenue or loss of goodwill that you may suffer. Further in no event shall we be liable to you for any indirect or consequential loss that you may suffer. Our maximum aggregate liability to you for any claim that you may have against us shall be limited to the amount of course fees as laid out in the cancellation policy.
